

# We Join the Crowd, Who, on This Day

1. We join the crowd, who, on this day, Sang praise to Christ a - long the way;  
6. Ac - cept - ing all His love will give, For Him and oth - ers let us live,

Their theme re - newed we glad - ly sing: Ho - san - na to the Lord, our King!  
Then come pre - pared to sing and pray, With great - er cause on Eas - ter Day.

2. Yet, when the hom - age has been paid and all the ac - cla - ma - tions fade,  
3. Keep watch with Him through all His shame, the taunts, the in - sults and the blame,  
4. Then come with won - der - ment to see how great His love for you and me:  
5. Hence - forth no dark - ness, no de - spair, but light from Christ is shin - ing there:

*Last time to v. 6*

May we be found with Je - sus still be - neath His cross on Cal - v'ry's hill.  
His lone - ly a - go - ny, His doubt, His bro - ken - ness, His life poured out.  
He takes the vi - cious cross of wood, and turns its ev - il to our good.  
The pre - cious Pas - sion of the Lord brings hope re - newed and joy re - stored.
